Case Study:

Ohio State Receivership: Rehabilitation Facility

Rethink

Ohio rehabilitation facility providing a variety of outpatient therapeutic services suffered cash flow issues and poor administration.

React

Aurora was appointed as state receiver in the State of Ohio. Aurora worked to implement a system to streamline and stabilize the Company's daily operations.

Results

Aurora successfully brought the Company back to positive cash flow which allowed for Aurora to sell the Company in an Article 9 sale to a local hospital system and pay back the secured creditor.
